Session-16 Monday January 26<sup>th</sup>

*Modern Global Military Tech and Standing Armies*

Part-2    *What's Already Here? and What's Coming Next?*

**LAST STUDY:** Part-1 Advanced Tech in Modern Military  
Helps Interpret Bible Prophecy

**TONIGHT:** Part-2 Tech Advances That  
Help to Interpret Bible Prophecy

# Modern Military Tech

Hebrew word for **Chariot** is **merkava** מֶרְכָּבָה *fast-moving, agile, armored, deadly*

**Merkava Mark-4** “world’s most advanced tank” **Interesting use of Hebrew language!**

**Ezekiel 39:1-4**

**Reads Like Post-Battle Clean-Up**

prophesy against **Gog** and say, “Behold, I am against you, O **Gog** prince of Rosh, Meshech and Tubal - and I will turn you around, **drive you on** נַעֲנֵנָה shaw-shaw =

“leave just 1/6<sup>th</sup> of you intact”

**LXX deci-matay** = “leave just 1/10<sup>th</sup> intact” decimate

from the remotest parts of the North and bring you **against the mountains of Israel**  
I will **strike** [nawkaw = **destroy**] **your bow** [queset = launchers] from your left hand and  
**dash down** [nawfal = violent eradicate] **your Arrows** [chets = piercing missiles, projectiles]

Modern Israel’s “Arrow-3” multi-tiered air defense system, **nuclear or conventional**  
**of your right hand and you will fall on the mountains of Israel, you and all**  
**your troops and the peoples who are with you - I will give you as food to every kind**  
**of predatory bird and beast of the field [dead bodies everywhere as carrion]**

# Modern Military Tech

## Israel's Arrow-3 Missile Defense System

# Advanced Military Tech

**Amos 7:1-3** Thus the Lord God showed me - He was forming a **locust-swarm** when the spring crop [latter growth] began to sprout and the spring crop [latter growth] was after the king's mowing - it came about when it [swarm] finished eating the vegetation of the land, that I said, "Lord God, please pardon, how can Jacob [Israel] stand, for he is small?" The Lord changed His mind about this - "**It shall not be**" said the Lord.

this is the **Masoretic text [750-950 AD]**

What about the **LXX** text from 10-11 centuries before Masoretes?

*The Lord showed a swarm of locusts coming and one of the devastating locusts was **Gog** the king* Γωγ ὁ βασιλεὺς

Gog ho-basileus

**WOW! What a difference**

# Modern Military

swarm coming one locust was **Gog** the king Γωγ ὁ βασιλεὺς Gog ho-basileus

**BUT WAIT!** Proverbs 30:27 the **locusts have NO king** yet all of them go out in ranks

**HOWEVER!** Revelation 9:1-11 the 5<sup>th</sup> **aggelos** sounded - a 'star' fell from heaven - he was given the key to the Abyss, he opened it and smoke came out like a furnace the sun and air were darkened - from the smoke came **locusts** who were given **power like scorpions** to hurt all who do not have the seal of God in their foreheads, men will try to die but won't be able to

V7-9 **locusts** like soos ready for battle with helmets on their heads that have faces of men - long hair like women - teeth like lions breastplates of iron - sound of flight like chariots as many soos running to battle

**WHAT** exactly is this?

# Modern Military Tech

**Revelation 9:10-12** they had **tails like scorpions with a sting** and had power to hurt men for 5 months – **they had a king** over them which is the **aggelos** of the Abyss whose name in the Hebrew is **Abaddon** אַבָּדָדָוּן = “destruction” but in the **Greek is Apollyon** Ἀπολλύων = “destroyer” this woe is past, 2 more will follow

Natural locusts do not have a king but swarm in their own ranks  
demonic ‘locusts’ from the Abyss **DO** have a king [**not grasshoppers**]

**NOW** we better comprehend and translate the identity of Gog from Magog  
**Revelation 20:7-8** when the Millennium is finished, Satan is released and will again  
deceive the nations all across Earth, **Gog and Magog** then gather  
them for war [against Jesus] their numbers are like sand on the shore

**REALLY helps WHEN Ezekiel 38 Gog-Magog battle occurs**  
**some translators put this erroneously at end of Millennium as Armageddon**

# Modern Military Tech

Lord showed me a  
**swarm of locusts**  
coming and one  
of the devastating  
locusts was  
**Gog the king**  
Γωγ ὁ βασιλεὺς  
Gog ho-basileus

# Modern Military Tech

# Modern Military Tech

**Drone Swarms**

# Modern Military

swarm coming one locust was **Gog** the king Γωγ ὁ βασιλεὺς Gog ho-basileus

**BUT WAIT!** Proverbs 30:27 the **locusts have NO king** yet all of them go out in ranks

**HOWEVER!** Revelation 9:1-11 from the smoke came **locusts** given power like scorpions to hurt all who do not have the seal of God in their foreheads, men will try to die but won't be able to

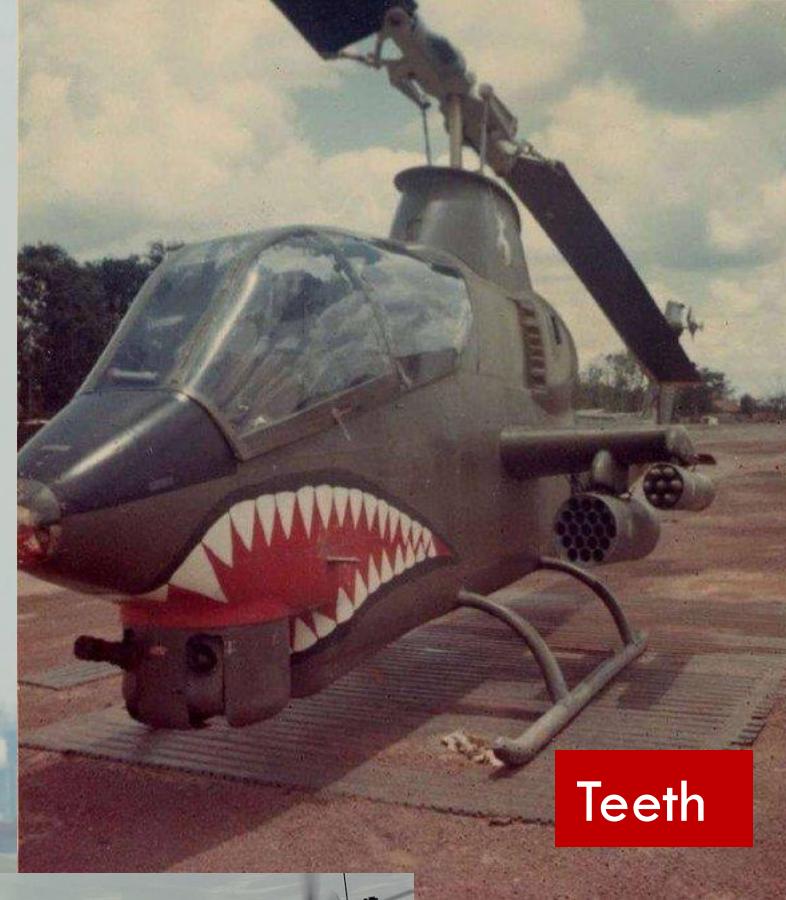

V7-9 **locusts** like **soos** ready for battle with **helmets on their heads**  
**that have faces of men** - **long hair like women**  
**teeth like lions** - **breastplates of iron**  
**sound of flight like chariots as many soos running to battle**

**ANOTHER** Option?

Swarm

Tails sting  
like scorpions

Teeth

Face of a man

Hair like woman

# Modern Military Tech

## Ezekiel 38:21-23

I will call for a **piercing metal** against him on all My mountains," declares the Lord God  
Every man's **sword** [chereb = instrument of destruction] will be against his brother  
with **pestilence** [dehber = debilitating physical drying up]  
**and blood** [biological WMDs?] I will enter into judgment with him  
and I will **rain on him and on his troops**  
and on the many peoples who are with him - a **torrential rain with hailstones**  
**fire and brimstone**

Could this be tactical nuclear radiation fall-out?  
Could this be biological-chemical weapons aftermath?

# Modern Military Tech

## WORTH CONSIDERING . . .

**Ezekiel 39:6** “I will send fire on Magog”

**38:22** “I will rain on Gog and his troops

**hailstones**

**fire**

**brimstone**

stone-like projectiles    flames [can be supernatural]    judgment [also resin-sulfur]

**Scenario-1** God will send this from heaven. His personal action!

**Genesis 19:24** God rained brimstone and fire from heaven  
on Sodom and Gomorrah

**Scenario-2** God will allow military armaments to effect His judgment

Perhaps lower-yield tactical nukes?

*Fraction of 1 kiloton up to 30-50 kilotons*

**Strategic nukes = 50-70 kilotons    MAX = 1.25 Megatons**

# Modern Military Tech

**Ezekiel 39:8** “My Holy Name I will make known right in the midst of **My people Israel** I will not let My Holy Name be profaned anymore the nations will know that **I AM the Lord, the Holy One in Israel** It is coming and **it shall be done**,” declares the Lord God. That is **THE DAY** of which I have spoken.

**v9-10** Then those who **inhabit the cities of Israel** will go out and make fires [heat] with **the weapons and burn them, shields and bucklers, bows and arrows, war clubs and spears, and for seven years** they will make fires [heat] of them They will not **take** wood from the field **or** gather firewood from the forests, for they will **make fires with the weapons** and they will take the spoil of those who despoiled them and seize the plunder of those who plundered them,” declares the Lord God.”

# Modern Military Tech

## Postwar Clean-up and **Repurposed Armaments**

who **inhabits the cities of Israel**  
make fires from weapons  
armor helmets launchers missiles  
smart-bombs anti-tank munitions  
**7 years** make fires from these

No need for wood/firewood  
fires from spent/leftover weapons  
take back was was confiscated  
capture huge amounts of military  
hardware and technology

Civilian population of the nation Israel  
**Nuclear? or wooden?**  
**Residual warheads? or bows and arrows?**  
Residual fuel rods?  
Nuclear reactor fuel?  
  
Traditional fuels not needed  
**Repurposed armaments?**  
Israel gets back stolen gold, silver, hi-tech  
**Israel keeps captured weapons + technology**

# Modern Military Tech

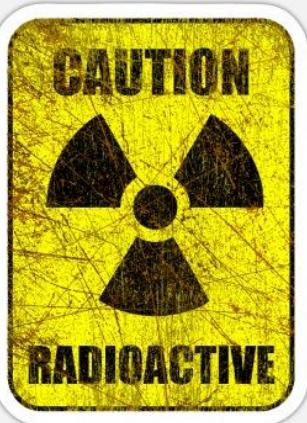

## Postwar Clean-up and **Repurposed Armaments**

- Depleted Uranium byproduct of producing enriched Uranium

Isolates U<sub>235</sub> for reactors and weapons warheads

Discards U<sub>238</sub> 'depleted uranium'

- High end density for tank armor
- 1.6x density/hardness of lead
- If damaged on battlefield releases toxic-radioactive particles
- Excellent in rockets + missiles **bursts into flames on contact**
- Rounds from Abrams M-1 tanks have 9lbs **depleted uranium**

- Australia #1 exporter of **triuranium octoxide U<sub>3</sub>O<sub>8</sub>** "yellow cake" to Muslim nations

## Radio-Isotope Thermoelectric Generator

Multi-Mission  
Radioisotope  
Thermoelectric  
Generator  
(expanded view)

# Modern Military Tech

## Dr. Newton's MATH of Battlefield Energy

### Option A - wooden axes shields swords spears bows arrows clubs

- Let's assume 500,000 troops? up to 1M troops?  
at 10 wooden items per soldier = 5M up to 10M units to burn
- Israel pop. [2023] = 10M with 7.3M Jews = 2.8M households
- **That's just 2-to-3 wooden units per household TOTAL to burn**  
**That lasts for a few hours NOT for 7 years?!**

### Option B - One nuclear reactor at 2.24 gigawatts provides 3.3M people

- only 6.8lbs** enriched uranium = 1 gigawatt power
- Three reactors provide power for 10M people  
**just 47lbs** cover 2.8M households for 1 year  
 $47 \times 7\text{yrs} = \text{about 350lbs}$  total enriched uranium from battlefield

# Modern Military Tech

## Ezekiel 39:11-13

On that day I will give **Gog** a burial ground  
in Israel the valley of those who pass by  
east of the sea [infers Dead Sea

downwind of post-war fall-out]

it will block off those who would pass by  
[natural buffer zone protection]

They will bury **Gog** there with all his troops  
And call it the Valley of Hamon-Gog  
“valley-plain of multitudes of Gog”

## Ezekiel 39:11-13

For 7 months Israel will be burying them to cleanse the land

Even all the people of the land will bury them, it will be to their renown on the day that I glorify Myself declares the Lord God

Language structure reads:

- **They will bury for 7 months**, but verse-14 infers perhaps
- **Wait 7 months then start** the process [radiation fall-out?]

IAEA Clean-Up  
Procedures

# Modern Military Tech

## Ezekiel 39:14-16

They set apart men of continual employ to pass thru the land, burying those who were passing thru, those left on the surface of the ground, to cleanse it at the end of 7 months [cool-off period] they will make a search - as those who pass through the land pass through and anyone sees a man's bone, then he will set up a marker by it until the buriers have buried it in the valley of Hamon-Gog - and even the name of the city will be **Hamonah**  
[city of multitudes]  
so they will cleanse the land  
[spiritual cleanse? Hazmat?]

# LITERAL INTERPRETATION

- Soos rapid fast-moving
- Chariot Merkava-4 advanced tank
- Arrow piercing shaft / thunderbolt
- Swarm “like locusts” in SIGHT SOUND STING [grasshoppers? **Amos 7**]  
**Drone Swarms** or **Attack Helicopters**
- Pestilence Biological weapons? Tactical nukes?
- Sky vibrates aerial deployed EMP
- ground shakes post-nuke sonic reverberation
- repurposed armaments wooden arrows, bows, spears, sword, shields?  
OR depleted uranium / decayed isotopes
- battlefield clean-up IAEA protocols to locate, identify, bury or burn

**Fascinating Provocative Terminology** [560 BC – 92 AD – 2026 AD and beyond ... ]
