AI in the Bible? YES!!

Genesis 12:8
*Abram pitched his tent with Bethel on west and **AI** on the east*

Joshua 8:28-29
*Joshua burned **AI** and made it a heap forever to this day and he hanged the king of **AI** on a tree*

AI and Bible Prophecy?

- Revelation 13:11** *I saw another beast coming from the earth*
- 12** *he exercises all the authority of the first beast
in his presence and he makes all who dwell on earth to worship the first beast*
- 13** *he performs great signs
he makes fire come down out of heaven to earth in the presence of men*
- 14-15** *he deceives all on earth with the signs he performs in the presence of the first
beast - telling all on earth to make an image to the beast and he gave breath
to the image so the image could speak and kill any who do not worship the first*
- 16-17** *he initiates the mark for all commerce*

- Consider 8 Potentials for AI:**
- compels worship
 - performs signs
 - fire from skies
 - deceives all
 - creates image
 - gives image apparent 'life'
 - designs the mark
 - deep fake 'resurrection'

What is A.I. ?

- 3 Stages: **Descriptive** to **Predictive** to current third-stage **Generative**
- **AI App Level-1** was **Knowledge-Based** “Expert Systems”
- **BIG END GAME** **Artificial General Intelligence [AGI]**
 Experts say: 5-7 years? 10-to-15 years? more likely decades away?
- **AI App Level-2** was **Context-Based** systems
 Real-Time Queuing within IMMEDIATE context **Retention-Systems**
- **AI App Level-3** is **Narrow Domain-Based** systems [it's here NOW in Bots]
ChatGPT Generative Pre-trained Transformer

Advances in A.I.

- **AI App Level-4 Reason-Based** systems - Simulates human intuition
1 trillion parameters in the training-refining process

Soon **VLM Very Large Models** **40-to-50 trillion parameters**

BCI Brain-Computer Interface MIND-operated devices

- **AI App Level-5 Agentic-AI** systems “Agentic A.I.”
embedded in everything **AND** each person with a customized agent

LAST WEEK: *AI and Bible Prophecies 1-4*

1. **Rev. 13:12** thru **BCI** he **compels Worship** the first savage

Shape societal perception of him - Manipulate public opinion about him
Massive propaganda of what is 'truth' Eliminate counter opinion or dissent

2+3. **13:13** he performs **great signs** [one in particular] he **makes fire come down**

Similar to: **2nd Thess. 2:8-11** **lawless one** will be revealed who is in accord with Satan
with **power, signs, false wonders, deception** of wickedness
God will allow them a deluding influence so they believe what is **false**

2nd Corinth. 11:14 Satan disguises as *aggelos* of light

LAST WEEK: *AI and Bible Prophecies 1-4*

4. 13:14-15 **he Deceives all on earth** with tokens *he performs* “Deep-Fake” **Not REAL**

1st Timothy 4:1-2 God’s Spirit states that in the **Latter Times** some will fall away from true faith - paying attention to deceitful spirits and doctrines of demons by **hypocrisy of liars** who are seared in their own minds with a branding iron

2nd Corinthians 4:4 the god of this world **blinded the minds** of unbelievers

AI and Bible Prophecies 5-8

5+6. Revelation 13:14-15 telling all on earth to **CREATE an image of the beast** and

IMAGE is εἰκών eikon = *likeness of the original* [icon in today's English]

AI-BCI

he **GAVE breath** [πνεῦμα pneuma = breath/spirit **LIFE**] **to that image**

so the image could speak and kill any who do not worship the first savage

AI-AR

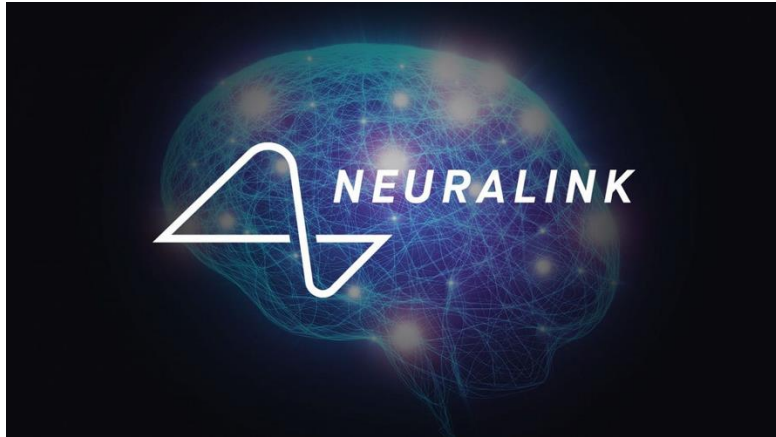

also **Rev. 14:9, 11 15:2 16:2 19:20 20:4** 'image' as central to Satanic deception

Romans 1:22-23 claiming to be wise they became fools and exchanged the glory of the immortal God for **images made to look like human beings**

εἰκών eikon = *likeness of* ἄνθρωπος anthropos

Daniel 2:42-43 synthesis of iron + common clay - strong + fragile
in their descendants that will **not mix** with / adhere to the two
just like pottery-clay **cannot mix** with iron **Trans-humanism?**

Advances in A.I.

Elon Musk launched in 2016

BCI-Tech [Brain-Computer Interface]

*Humans use mind to control outside devices
can outside devices then control human mind?*

BUT INTERESTING Musk quotes . . .

Vanity Fair [2014] “With AI we are summoning the demon”

Nat. Governors’ Assoc. [2019] “Ai is fundamental risk to civilization”

BCI huge AI new-tech [trans-humanism?]

VR isolated-simulated AI realm and interaction **Apple-VisionPro** **Meta-Quest**

AR integrated-merged AI with real-time/real-space **MagicLeap** **Snap** **Meta-RayBan**

AI and Bible Prophecy-6

Revelation 13:14-15 he GAVE **Breath** [πνεῦμα pneuma = breath/spirit LIFE] **to the image**
so the image could speak and kill any who do not worship the first savage

AI-AR

For centuries this was interpreted that a carved wooden or sculpted stone statue would come to life and speak [could be!] however . . .

Today in 2025 this sounds exactly like what AI could easily produce-demonstrate

Joel 2:3-10 does this describe an AI robotic army?

- *leap on tops of mountains and run like horses*
- *seeing them causes anguish and faces turn pale*
- *run like mighty men and climb walls* - *march in a line that is never broken*
- *no crowding in perfect unison-formation blow past enemies never break formation*
- *rush the cities and run up the walls* - *earth shakes at their arrival*

AI and Bible Prophecy-7

Revelation 13:16-17 *he initiates* **mark for all commerce** [χάρagma charagma = stamp-imprint]

For centuries this was considered allegory-metaphor **COULD NOT BE LITERAL!**

Today in 2025 this sounds exactly like what AI could easily produce-deploy-manage

Consider THIS

Could the AI-image of antichrist be:

- Literally everywhere [as if omnipresent] around the globe
interacting with, speaking to, advising everyone all at once?
- Literally worshipped and consulted [like MindAir, Theta-Noir, Way-of-the-Future]
- Literally be the image-driver of global commerce

AI-AR

AI and Bible Prophecy - 8

Revelation 13:2-3 *Satan gives great power to the savage-ferocious*

[little horn, son of perdition, prince who is to come]

I saw his head as if it had been slain and then the

ὥς hos = as if 'like, but not actually same' σφάζω sphazo = kill, mortally wound

fatal wound was healed

θάνατος πληγή θεραπεύω thanatos playgay therapeuo = kill-strikes seem healed

Makes me think of **Isaiah 53** by His חַבּוּרָה habura = stripes

LXX μώλωπι muhlopi = stripes / welts

This appears to be entirely in line with things attributed to the true Mashiach

the entire earth was amazed after the savage

θαυμάζω thaumatzo = wondered-marveled

Luke 9:43 *all were astonished at what Jesus did*

Luke 24:36-43 *disciples were amazed at Jesus' resurrection*

AI and Bible Prophecy - 8

For centuries this has been interpreted as a literal physical resurrection from the dead to appear like Jesus's resurrection to further legitimize him as 'Messiah'

others tried to catch the Greek "as if" to mean the doctors thought it was fatal but it proved to not be a fatal head wound

But modern AI provides a very LITERAL basis and context for interpreting this!

REMINDER:

This *pseudo-christ* is a person and not AI, because "he" [personal pronoun] and the false prophet "he" are judged at the 2nd Coming of Jesus at the end of the Great Tribulation and sent to Gehenna [not an AI program]

AI and Bible Prophecy

Everything described by John as He was given the Revelation of Jesus Christ from the **angel messenger**

Rev. 1:1 *the apokalypsis God gave to Jesus to show to His **doulos**
He sent it and communicated it to John by His **aggelos**
to His **doulos** John*

John wrote down ALL he saw and experienced when he was **harpazo** = *caught up*
into the “Day of the Lord” **Rev. 1:10**

Once again, has anything changed in the last 50 years re: Bible Prophecy?
Prophecy has NOT changed But HOW we interpret it HAS changed dramatically
