FinTech Advances and Bible Prophecy

Daniel 12:4 *but as for you, Daniel, conceal these words and seal up the book **until the End Time** - many will go back and forth [in trying to understand] and **knowledge will increase***”

12:8-10 *As for me, I heard but could not understand so I said, “What will be the outcome of these events?” the angel said, “Go your way Daniel for these words are concealed and sealed up **until the End Time** - many will be purged, purified, and refined - but the wicked will act wickedly and none of the wicked will understand, but **those with insight will understand***

Daniel commentaries: *many will ‘diligently investigate’ ‘pour over/scrutinize’ from end to end then in End Time, the **‘hidden knowledge’** will be fully revealed*

Teaching Prophecy in 1896

1906, 1916, 1936

1956, 1966, 1976

- NO Israel in the land

[same]

- YES Israel in the land

- LOTS of concepts unrealistic 'literally'

[same]

- still *MANY difficult interpretations*

Teaching Today

2025

clearly now **the End Time** - YES Israel in land

- ALL now readily *LITERAL!!*

Daniel 12:4 many HAVE [and continue] to '**go back and forth**' [trying to understand?]

MANY commentaries/books/podcasts/lectures/courses on Prophecy

The ISRAEL and TECH issues are clearly advanced in current 2025 status

Increasingly obvious Bible Prophecy CAN NOW be interpreted even MORE literally!

1970 exponential tech moves so fast, MOST get passed by 'shock'

2025 exponential tech 'shock' gives HUGE support to literal Prophecy

Biblical Prophecy Impacts?

Let's Check Out Advances in FinTech

FINTECH:

First Prophecy/FinTech Interaction

Revelation 13:16-18 and the false prophet causes ALL,
the small and the great,
the rich and the poor,
the free and the slaves, to be given a mark on the right hand or forehead so that
no one will be able to buy or sell except the one who has the mark either:
1] the **Name** of the beast [savage-ferocious] or 2] the number of **HIS Name**
here is wisdom, let him who has understanding calculate the number of the beast
for the number is that of a **Man** and HIS number is 666

Interpretation typically: “it will be interesting to see exactly HOW this happens”

Radically Changes Global Finance

FINTECH: 1976

First Prophecy/FinTech Interaction

Revelation 13:16-17 and the false prophet causes ALL, the small and the great, the rich and the poor, the free and the slaves, to be given a mark on the right hand or forehead so that **no one will be able to buy or sell** except the one who has the mark either: the name of the savage-ferocious or the number of his name

ποιέω παῖς ποι-αγ-ο pas = HE is the author-originator to every-entirety

μικρός μέγας mikros megas = tiniest and largest

δοῦλος doulos = free and bondslave by choice

χάραγμα charagma = stamp-imprint-carved in RFID implanted? Invisible tattoo?

δεξιός dexios χεῖρ cheir = right hand [literal]

μέτωπον metopon = space between eyes **Facial Recognition?**

Contemporary Commentary

Battle is here, now, between cash, private digital currencies, and state-backed Central Bank Digital Currencies and is fundamentally an underlying question of:

***Who will control the financial system? and
What kind of privacy and freedom citizens will retain?***

FINTECH

Second Prophecy/FinTech Interaction

Daniel 7:25 *He will speak out against the Most High and wear down the saints of the Highest One, and he will **intend** to make **alterations** in **times** and in **law** they will be given into his hand for a time, times, and half a time*

intend = devise his own plan

alterations = radically change-transform from current status

times = very specific set times/time periods

law = decreed procedures-protocols

time times half a time = year + 2 years + ½ year = 3 ½ years 42 months 1,260 days

Very provocative + interesting ramifications regarding HOW 2020-21 global community responded to the various national requirements to get vaccinated *clearly demonstrates* how quickly all peoples, nations, languages could readily comply with a **Global Mandate** about their finances!

Third Prophecy/FinTech Interaction

Revelation 13:18 here is wisdom, let him who has understanding calculate the number of the beast, for the number is that of a man and HIS number is 666

here is σοφία sophia = broad/full intelligence, knowledge of diverse matters
let him who has νοῦς noos = intellect, reasoning, capacity to know truth

ψηφίζω psayphitzo = count it out, calculate it, decide by vote/cast lots

ἀριθμός arithmos = fixed definite number/numeral

REMEMBER

Broadest Context of Biblical Prophecy . . . **Believers NOT present**

Son of Perdition/Little Horn/Man of Lawlessness rises to geopolitical power and negotiates peace deal with MANY and the Jews in Jerusalem, but conspires with religious partner [*false prophet*] for single financial system
He implements massive change in **TIMES and LAWS**

Not something to look for right now

That contradicts much more detailed, full context interpreting Prophecy

but 2025 FinTech can literally do ALL variations of interpretation!!
